

# LILY

Design by More Design

## Lily

Lily è una collezione composta da sedute di diverse misure e dal tavolino con o senza spumantiera. Forte e poetica, è disegnata da More Design. Il cuore del progetto Lily è il design organico a simulare il petalo di un fiore che sfida le tecniche di ingegnerizzazione. Una proposta outdoor polivalente, elegante e confortevole del concetto living e dining. È disponibile la versione illuminabile per il tavolino e il cuscino di seduta a complemento di divani, poltrone e sedie per rendere l'utilizzo ancora più rilassante e avvolgente, ovunque Voi siate.

Lily is a collection composed of seats in different sizes and a coffee table with or without wine-cooler. Strong and poetic, it is designed by More Design. At the heart of the Lily project is the organic design that simulates the petal of a flower that challenges engineering techniques. A multifunctional outdoor proposal, elegant and comfortable living and dining concept. It is available the lighted version for the coffee table and the seat cushion as accessory for sofas, armchairs and chairs to make the use even more relaxing and enveloping, wherever you are.

**Lily**

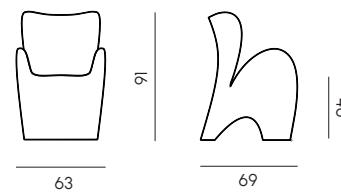

La collezione LiLy di More Design per MY YOUR si decanta in divano, poltrona, tavolino, anche in versione luminosa, e tavolino con ice box. A complemento cuscini di seduta e spumanzia.

Lily è una delle collezioni icona di MY YOUR e il suo successo è dovuto alle forme organiche, avvolgenti e sinuose che ricordano i petali di un fiore. Grazie al Poleasy® con cui è realizzata, resiste agli agenti atmosferici e si pulisce facilmente. Lily dona carattere a ogni ambiente in cui si trova.

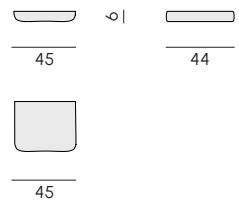

The Lily collection by More Design for MY YOUR is composed by sofa, armchair, coffee table, also in light version, and coffee table with ice box. To complement seat cushions and icebox.

Lily is one of the MY YOUR iconic collections and its success is due to the organic, enveloping shapes and sinuous reminiscent of a flower petal. Thanks to the Poleasy®, with which it is made, it resists atmospheric agents and is easily cleaned. Lily gives character to any space it is in.
