Nova Bancone e Dublin Bancone

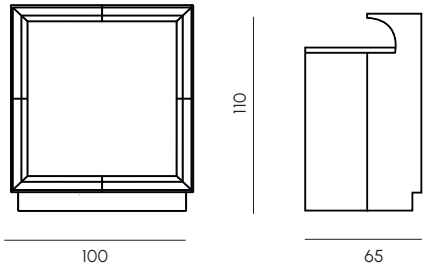

Nova Bancone è l'ultimo arrivato nella famiglia Nova disegnata da Brogliato Traverso per MY YOUR. Il design, rigoroso e ammorbidito dagli angoli leggermente smussati, consente una leggerezza formale che rende Nova Bancone versatile e adatto a qualsiasi ambiente.

Dublin Bancone si ispira nei dettagli ai pub irlandesi in stile Art Decò. I fianchi richiudibili per il modulo lineare, la possibilità di personalizzazione del fronte, i diversi tipi di illuminazione e la sua maneggevolezza fanno di Dublin uno strumento funzionale e decorativo per locali, hotel, ristoranti, bar ed eventi sia indoor che outdoor. Entrambi i prodotti sono accessoriabili su richiesta con cocktail station e speed rack in ABS.

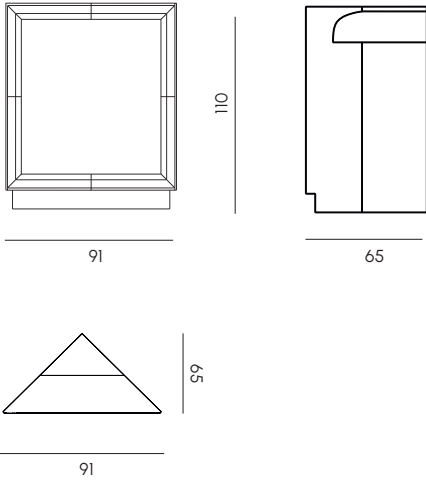

Nova Bancone is the latest addition to the Nova family designed by Brogliato Traverso for MY YOUR. The design, rigorous and softened by the slightly rounded corners, allows a formal lightness that makes Nova Bancone versatile and suitable for any space.

Dublin Bar is inspired by the details of Irish Art Deco style pubs. The foldable sides for the linear module, the possibility of customization of the front, the different types of lighting and its handling make Dublin a functional and decorative tool for both indoor and outdoor venues, hotels, restaurants, bars and events. Both products can be equipped on demand with ABS cocktail station and speed rack.
