Samurai

Samurai è una collezione di sedute modulari outdoor dalle linee pulite ed essenziali ed è caratterizzata da una seduta ampia e bassa che ne implementa la leggerezza visiva. I braccioli e gli schienali, dalle forme contenute e aperte leggermente, accolgono i cuscini di seduta, aumentandone il comfort mentre i piedini sollevano e sostengono la struttura. Samurai si presenta in due versioni: Samurai Baseline con imbottitura in poliuretano e tessuto Sunbrella®, e Samurai Plusline con imbottitura in poliuretano, Dryfeel® e tessuto drenante Sunbrella®.

Samurai is a modular outdoor collection with clean and essential lines and is technically characterized by a wide and low seat that implements the visual lightness. The armrests and backrests, with small and slightly open shapes, welcome the seat cushions, increasing their comfort while the feet lift and support the structure. Samurai is in two versions: Samurai Baseline with polyurethane padding and Sunbrella® fabric, and Samurai Plusline with polyurethane padding, Dryfeel® and Sunbrella® draining fabric.
